

RPGF Dashboard Metrics

Grant Distribution Metrics

♦ 1. Number of Recipients (Projects Receiving Grants)

Sub-metrics to include:

- Number of unique recipients per round
- Total unique recipients across all rounds

Time spans to use:

- For a specific round
- All-time

Visual Suggestions:

- Bar Chart (Recipients per round)
- Counter (total unique recipients)

♦ 2. List of Recipients

Sub-metrics to include:

- Recipient name/address
- Amount received
- % of total round allocation received
- Round-wise breakdown

Time spans to use:

- For a specific round
- All-time

Visual Suggestions:

- Table (sort by amount or % share)
- Counter (maximum single recipient amount)

♦ 3. Total Amount Allocated**Sub-metrics to include:**

- Amount allocated per round
- Cumulative allocation across rounds

Time spans to use:

- For a specific round
- All-time

Visual Suggestions:

- Bar Chart (roundwise allocation)
- Line chart (cumulative trend)
- Counter (specific round allocation)

♦ 4. Roundwise Budget**Sub-metrics to include:**

- Budget per round
- Cumulative budget

Time spans to use:

- For a specific round
- All-time

Visual Suggestions:

- Bar Chart
- Line Chart

♦ 5. Roundwise Unallocated Funds

Sub-metrics to include:

- $\text{Unallocated} = \text{Budget} - \text{Allocated}$

Time spans to use:

- All time

Visual Suggestions:

- Stacked Bar Chart (Allocated vs Unallocated)
- Line chart for unallocated amount

♦ 6. Funding Utilization Rate

Sub-metrics to include:

- $\text{Utilization \%} = (\text{Allocated} / \text{Budget}) * 100$

Time spans to use:

- For a specific round

Visual Suggestions:

- Line Chart (utilization trend)
- Counter (specific round utilization %)

♦ 7. Theme of Each Round

Sub-metrics to include:

- Descriptive theme

Time spans to use:

- For a specific round

Visual Suggestions:

- Table

Badgeholder Metrics

♦ **1. Badgeholders Selected**

Sub-metrics to include:

- Count of badgeholders selected per round
- Addresses of badgeholders

Time spans to use:

- For a specific round
- All-time

Visual Suggestions:

- Bar Chart
- Counter

♦ **2. Badgeholders Participated**

Sub-metrics to include:

- Count of badgeholders who actually voted.

Time spans to use:

- For a specific round

Visual Suggestions:

- Bar Chart
- Counter

♦ 3. Badgeholder Participation Rate

Sub-metrics to include:

- Participation Rate = $(\text{Participated} / \text{Selected}) * 100$

Time spans to use:

- For a specific round
- Across rounds (trend)

Visual Suggestions:

- Line Chart (trend)
- Percentage Counter
- Stacked Bar Chart (participated vs not participated)

♦ 4. Projects Having Common Badgeholders

Sub-metrics to include:

- Number of shared badgeholders across projects
- Number of projects with X common badgeholders

Time spans to use:

- For a specific round

Visual Suggestions:

- Bar Chart
- Network Graph (optional for deeper insight)

Guest Voter Metrics (For rounds after RPGF 5 (including))

♦ 1. Guest Voters Selected

Sub-metrics to include:

- Number of guest voters selected

Time spans to use:

- All time

Visual Suggestions:

- Table

♦ **2. Guest Voters Participated**

Sub-metrics to include:

- Number of guest voters who actually voted

Time spans to use:

- All time

Visual Suggestions:

- Table

♦ **3. Guest Voter Participation Rate**

Sub-metrics to include:

- Participation Rate = $(\text{Participated} / \text{Selected}) * 100$

Time spans to use:

- All time

Visual Suggestions:

- Bar Chart
- Percentage Counter for the specific round
